

SAN SIRO

Design: Luigi Caccia Dominioni, 1967

As many of his designs, this collection also has a strong connection with its home city, Milan, that is made explicit in the name of the self-titled milanese district. The collection includes the armchair and the two-, three-, four-seater sofas with compact dimensions and embracing lines. As is the tradition, the collection comes in the iconic wool fabric in the colors selected by Caccia Dominioni or, as alternative, in the elegant Kasia or Koto leather.
